

We are excited you have interest in volunteering your valuable time for Easton Festival of Trees. To help us make this the best possible experience for you, we would like you to answer the following questions so we can match you up to the best possible function.

If you have been to the Festival of Trees before, is there a specific function you would like to assist with?

If not a specific function that you are interested in, let's match you to your desires/skills:

Are you interested in working with the group to decorate/design the trees for the event? Some decorating happens in the summer and some the week of setup. _____

Are you good at sales and/or have some business connections that could potentially be sponsors? _____

Are you social and would like to host/hostess once the event is up and running? We will give you background on tree themes and this year's beneficiaries to discuss when asked by attendees. _____

Are you able to use an electronic sales device such as an iPad? _____

Would you like to help with the set up and take down of the event? There is light to medium moving and lifting. Lots of set up and organizing, moving trees, props, registration table, clean up, etc. Set up is Sunday, November 19 – Wednesday, November 22 before Thanksgiving, and take down is the Monday after the event, December 11.

Would you like to work (host/hostess) on the nights of a floral design workshop, gingerbread house making workshop or paint workshop? Some help is needed for set up or clean up or general assistance with attendees.

Would you like to work on Kid's Day? We will have a registration desk, craft tables, supervise cookie making table, outdoor activities, Santa lines, etc. MUST love kids for this one! This is a 2- hour event, but set up and break down are at least 30 minutes before and after.

Do you have a location (home or business) that would be a visible site for a lawn sign to advertise the event or place our advertising postcards? _____

Is there something we have not mentioned that you feel you are good at, or would like to do? Let us know as we are all ears. We want this to be a perfect match for you.

Thank you for your interest in volunteering. We will be in contact with soon.
